## Principal's Report

Welcome back. I trust everyone had a restful and enjoyable break. Term 4 is shaping up to be another busy term. We have our HSC starting next week and would like to wish our students the very best and hope all their hard work pays off.

The presentation of Year 12 2015 School Captains will be held at an assembly this Friday (10 October) at 12:15pm in the secondary hall. All Welcome.

Early Starters Program will recommence every Friday until the end of Week 10. All preschool children are encouraged to attend. Buses may be caught to and from the school. Also this term we will continue to rollover our classes. Last term Year 6 joined secondary students for sport and this term in Week 4 on Wednesday 29 October we will be holding a morning orientation for Year 6 parents from 9-11am. In Week 5 all Year 6 students will be transitioned to the high school for the rest of the year. We will also transition other classes in the primary to ensure a smooth start to 2015. If you have any concerns or issues please contact me at school on 67821104.

This term we have a few new students—Allanah Hames in Year 10 and Natalie O'Kane Huckstadt in Kindergarten. We wish them well and hope they enjoy the fabulous education that they will receive at Barraba Central School.

You will need to lock a few dates of importance in for this term: Wednesday 15 October—P&C meeting in the secondary library at 6pm (please note change of venue); on Tuesday 9 December the end of school combined Presentation Day will be held. We have many other events coming up. Please keep a close eye on the calendar to ensure that nothing is missed.

School absences will now be coming to you via text to mobile or email. Please make sure your contact details are current.
