### Principal's Message

The term is certainly getting away from us. This week is a fairly quiet week with our Primary Leadership team being voted upon by our students and staff. I hope to make the announcement in next week's newsletter.

A number of our students and staff headed off to New Zealand yesterday to participate in the Major excursion. I look forward to hearing all about it when they return.

Next week we are starting our Intensive Swimming Program for students in Years 2 to 5. If you have any questions or concerns regarding this program please contact the school. It is extremely important that all students learn the basics of water safety and learn how to swim.

It is great to see many students moving up through the level system. I hope all students are aspiring to be on level 5 of our Wellbeing System.

Did you know that if your child misses as few as eight days in a school term by the end of primary school they will have missed a whole year of education?

By law you are required to send your child to school every day. If your child has to be away from school for any reason please either phone the school or send a signed note explaining the reason for the absence as soon as possible. If your child arrives at school late or needs to leave early you will need to go to the office to sign your child in or out.

# Well done BCS students!

## Letter To The Editor

Dear Sir,  
Congratulations to the Primary Students (ably assisted by some talented secondary Students), and Staff of Barraba Central School, in particular Sally Hawxwell, on their

amazing production (twice!) of Currawong Creek last Thursday at the Youth Centre. Everyone should be extremely proud of their performance and involvement. A wonderful time was

enjoyed by both audience and performers and what a great experience for the Students.

Currawong Creek will no doubt be a highlight of many Students' school years and will be long and fondly remembered!

We look forward to more productions such as this from Barraba Central School!  
Sincerely,  
Haidee Lea

# Level 4 Success

## Year 7

## Year 8

## Year 9

Term 4 is flashing by and the students in the secondary have been very busy with a range of school activities and collecting green slips as they go! A number of students have reached level 4 in the past couple of weeks;

Its great to see so many people achieving level 4 and on their way to level 5. These students are to be congratulated on their great success.
