Monday, Wednesday & Friday

Barraba Central School

From the Deputy.....

One of the highlight events of this term has been the SRC (Student Representative Council) Induction Ceremony. This Ceremony was held at a Special Assembly recently where parents, carers, year advisors and Mr Forrester all took part in the badging of the SRC representatives.

The honour roll of students badged was as follows:

Year 7 & 8 - Connor Jobson, Ashton Vinen, Callan Mallise, Kattie Frost & Macy Dennis.

Year 9 & 10 - Jessica Kelso, Hannah Mallise, Felicity Dennis, Dale Griffiths & Hannah Frost.

Year 11 & 12 - Tyler Simpson, Abbey Mallise, Aaron Penna & Katie Sweeney.

Congratulations to all these students.

At the Ceremony students had to read out an oath and I'd like to reproduce the oath because I believe this oath defines the SRC members roles and responsibilities of being an SRC member.

On Wednesday 24 June our school captains Katie Sweeney and Aaron Penna are flying to Sydney to meet the Governor of NSW. Katie and Aaron are excellent representatives of this school and this community.

I wish the 2015 SRC a very productive future.

Bob Johnston

Deputy Principal

The Oath

As student members of Barraba Central School we pledge to perform our duties with responsibility, fairness, honesty and respect.

We will reflect at all times by leadership and example, the values and standards of the school.

We will support the staff of the school.

We will obey school rules and assist students who find it difficult to meet the school's values.

We are proud of this school and the wider community.

We will strive to make a positive difference through our role on the Student Representative Council.

Term 2 - Week 9 commencing 15 June 2015

Principal's Message

Another busy week and just over a week of school to go before we break from 1st semester. This week is the P&C meeting in which you will be able to have input into the Student Wellbeing Policy. We hope to begin trials

next term. It will be a little earlier than anticipated as my feedback has been generally positive and people seem to be keen to get started. This will coincide with the launch of the Department of Education's New Wellbeing policy.

We are hoping to explore the 'Rethink Program' which is a Bullying Program later in the year. This program encourages the whole school community to become involved and there will be a series of workshops aimed at students, teachers and parents. Keep an eye out for additional information as this will also be discussed at the P&C meeting.

Our reports are in the final stages of being proof read and we hope to have them out by Monday next week at the latest. Remember if you have any concerns or questions regarding reports please contact your child's teacher. We will be having parent/teacher meetings for secondary staff early next term.

Year 12 Trial HSC exams will commence next week.

Adam Forrester
Principal

Learn to Swim classes

Swimming is an important life skill that can help save a life!

All children should have the opportunity to learn swimming growing up. Continued participation in swimming lessons across winter can prevent regression in skills and confidence.

Tamworth Regional Council has a new Learn to Swim program that operates year round in the hydrotherapy pool at Barraba!

Please contact us for further enquiries and bookings on 02 6762 2631

Vermox® kills worms

Got Threadworms? Get Vermox.

One Dose Once- Dead Simple!

Threadworm infections can be quite uncomfortable and potentially embarrassing. They are also most likely to affect our children. The most common type of worm infection in Australia is caused by threadworms (also known as pinworms). Symptoms can include an itchy bottom, threadworms visible in bowel motions, restless sleep, bed wetting, irritability, a lack of appetite and the grinding of teeth.

Luckily there is a simple solution that has been trusted by Australians for many years. VERMOX® was the original brand in Australia containing the anti-worming medication Mebendazole. It is a first line treatment for threadworms in Australia* which means it can be recommended with confidence when advised by a pharmacist.

The VERMOX® treatment for threadworms is quite simple: adults and children aged 2 years and over simply take 1 dose once only. There is no need to calculate dosing based on weight and it is the same dose for everyone.

Want more info?

Click below for a couple of useful documents:

- A reference product booklet providing further information on the signs and symptoms of threadworms including treatment information and useful tips
- A letter that may be used to notify parents in the event of threadworm cases at the school

Further information can be found at www.vermox.com.au

The VERMOX® range of worming treatments is available from leading pharmacies.

LBK Solicitors Cup Friday Night Rugby

The much anticipated return of Friday Night Rugby saw 3 players from Barraba in the under 14's team and 13 players also from Barraba in the under 16/Senior side joined by our friends from Quirindi to represent the school.

All 3 of our boys in the under 14's - Callan Mallise, Connor Jobson and Nathan Austin performed very creditably in a losing side which went down 22 - 7 on the night.

The under 16/Senior side was up against a big and powerful Oxley/Peel team who had the luxury of several reserves. Despite having to field players in unfamiliar positions to field a full 15 players side our players performed admirably in what turned out to be an old fashioned 'Ding Dong Battle' characterised by ferocious defence on both sides. The 29 all draw was a fair reflection of the game and well done to all the boys for a real 'gutsy' effort.

3 points to Lochie Groth, 2 points to Josh Austin and 1 point each to Jack Reed and Rhys Phillips.

See you at training.....

Week	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
10	22 June Year 12 Trial exams commence	23 June	24 June	25 June School Banking	26 June Frost Over Barraba

On Thursday 18 June Mr Longstaff's Year 9/10 English classes will be hosting the 'Rotary for Public Speaking'. The classes will be presenting speeches on 'Whether it is fair to solely blame Macbeth for the tragedy of the play'. The students will be presenting a range of opinions on this topic with the Rotary members adjudicating on the winner. After the event Mrs Ezbery's Hospitality class will cater lunch for the speakers and the Rotary members. Photos of the event will appear in Week 10 of the newsletter.
