Principal's Message

Welcome back! I hope everyone had a relaxing and enjoyable break. This week has seen winter certainly set in with snow in higher areas of our region. I believe that there is more cold weather on the

way later this week. Please ensure that all students have appropriate clothing for the conditions. If you need assistance with providing your child/children with winter uniforms please contact me at the school. All inquiries are kept strictly confidential.

Last term the half yearly reports went home to parents. If there are any concerns please contact the school.

A further reminder that Secondary staff will be holding their Parent/Teacher Evening tomorrow Thursday 16 July from 4pm – 6 pm. If you cannot make these times please contact the school so other arrangements can be made. I would encourage all parents to come and talk to their child/childrens teachers.

Term 3 will be a busy term with the completion of our HSC and Graduation Ceremony Dinner held on Thursday 17 October 2015 at 6.00 – 8.00 pm.

Week 3 is Education Week and many more activities so please keep a close eye on the Newsletter for further information and updates.

Our new Wellbeing Policy is beginning this term and soon there will be links to the school website and secondary students will be able to show the new system to their parents on their computers and devices. The school will also be holding information sessions for parents later in the term so feel free to contact the school with any concerns or suggestions.

Over the next two terms we will introduce the new system and we hope to get feedback from you and iron out any kinks that may occur. The Draft Policy is currently available to download from the Barraba Central School website at:

www.barraba-c.schools.nsw.edu.au or you can ring and ask for a copy to be sent home.

Friday Night Rugby

So far 24 boys and 12 girls between years 7 and 11 from Barraba Central School have trained and represented our school in Rugby which has been a magnificent effort from all students. Expressions of interest from some other students have been received and all are welcome to come to training to gain fitness and experience the camaraderie. Remember that the season has been extended to late August.

Thank you to the parents, staff and community helpers including Craig Groth, Peter Gee, Jennifer and Shane Middlemiss, Nick Sweeney, Rob Carter and Ed Princic. Thank you to the many family, friends, Principal and staff within the wider school community who have offered their support.

See you at training.....
