Principal's Message

We all survived the wintery blast last week and students have settled back into routine for Term 3.

All students in the primary school were taken through the new Wellbeing Policy and were given a summary sheet to take home. Students seemed to understand and like the new system. Secondary students will be reviewing the new policy in their roll classes this week. I encourage parents and carers to read the Wellbeing Policy and contact me if you have any issues or concerns. We expect to make some alterations and changes as needs arise to accommodate any unforeseen circumstances. The new Wellbeing Policy applies to all students K-12 and we hope the policy will work seamlessly between the two campuses. The next P&C meeting on Wednesday 5 August 6.00pm at the primary site I will also be happy to answer any questions or concerns.

Education Week will be held in Week 3 and we are currently finalising these events. Keep an eye on your e-mail, our website and flyers coming home on how you can help up celebrate Education Week 2015. The theme for this year is 'Celebrating Local Heroes'. I look forward to seeing you at events next week.

Also this week we begin Year 6 Transition where our Year 6 students attend secondary campus for lunch and sport on Friday afternoons. If you have any concerns or problems with your child attending the secondary campus can you please contact the school and let me know.
