Principal's Message

This week is Education Week and we celebrate all that is great about our Public Education System. To celebrate Education Week we will be holding open classrooms at 11.30am on Thursday 30 July at both sites followed by a K-12 school assembly to be held at the secondary campus hall at 12.30pm. We will then have a sausage sizzle lunch at the secondary. We ask if possible that you make a gold coin donation towards the BBQ with all proceeds going to the Royal Far West which continually support our students and parents within our community. I look forward to seeing you there.

Last week there were a number of secondary students who attended the North West Athletics Carnival in Tamworth under atrocious weather conditions. All students should be congratulated on their efforts and their excellent participation on the day. Next week's newsletter will have detailed results from the competitors and Miss Huckle.

School Photo Day has changed due to a clash with a primary excursion. School photos will now be held on Thursday 10 September 2015. Please contact the school if this has caused any issues.

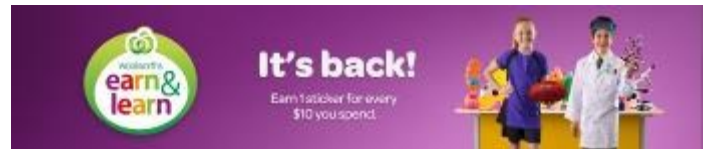

Local Government Day is Monday 3 August and our local council will be giving an information session at 11.30am to our secondary students on the role of local government and how they assist our town. A sausage sizzle lunch will be provided by the council at 12.30pm.

Secondary Rugby Union students will be heading over to Gunnedah tomorrow Wednesday 29 July to play in the U14/U16 Rugby Day. Thank you to Mr Maloney for giving up his time to train the students and for taking them over to the event. We wish them well!

A reminder that our next P&C meeting will be held on Wednesday 5 August 2015 at 6.00pm in the primary staffroom and all are welcome and encouraged to attend. Further discussion of the Wellbeing Policy will be discussed so please come along or pass on any suggestions or ideas that you may have.

Manners.....

**GOOD
MANNERS
COST
NOTHING...**

I was reading recently about a Brisbane man named Pete Ryan who in trying to improve people's manners. He established a group called 'Today's Gentleman' in 2010.

Annually on 22 February this group, now with followers in many countries celebrate 'Be a Gentleman Day'. This day is for sharing good manners with everyone and for example someone being polite and caring about others.

For students at school it is the little things, the important things like saying please and thank you, not pushing in when in line for the canteen, classes or buses and simply helping others.

Did you know when people do something nice for someone else they actually benefit by feeling good about themselves. It is a shame that more students and adults do not realise this.

So try and get into the habit of using your good manners as it shows respect for others and for yourself. It is easy to have good manners and remember good manners cost nothing.

Until next time.....
