Term 2 Week 2

Tuesday 2 May 2017

Secondary SRC Induction Assembly

From the Relieving Principal

We are starting to get back into the full swing of school and as a result our weeks are filled with relevant and interesting activities. This week Thursday 4 May sees the running of the School Cross Country and on Friday our Stage 6 (Years 11 and 12) students are attending a university open day at the UNE. Students will be accompanied by Mr Good. On Tuesday 9 May at 9.15am the Mothers Club get together will be held at the Primary Campus. This will provide an excellent opportunity for interested adults to be involved with the school. By the way both sexes are more than welcome to attend this function and perhaps one of the first matters to be discussed will be a name change for this gathering. In keeping with the upcoming events of the month on Friday 12 May a Mother's Day Stall will be held at the Primary.

May 9, 10 and 11 (Tuesday to Thursday of week 3) are the dates for years 3,5,7 and 9 students to undertake the NAPLAN tests. These tests provide useful information about student progress and as a result help inform teachers to cater for student needs. Last week there was a great series of student pictures showing 10 Primary students who have already achieved Level 5 of our Wellbeing System. This is indeed an excellent achievement. Well done to all involved.

Further on this theme last Friday saw a formal assembly at the Secondary Assembly in which students were awarded their Level 4 and Level 5 awards. The results were very impressive with 10 students already achieving Level 5 and another student already gaining a Level 5 Platinum award; an absolutely outstanding effort congratulations Kane Ward. A picture of all the successful students from the Secondary is in this newsletter.

As the year unfolds there is much to look forward to in both the Primary and Secondary Campus'.

Finally this Friday night sees the beginning of the Rugby season in Tamworth for the secondary students. Good luck to all involved.

Until next time.....

Mr Johnston

Kane Ward
