This term Mrs Ormiston and Miss Rose have been doing structured play. Over the past 4 weeks we have had 18 chickens for the younger kids to play with.

In Year 5/6 Dylan Hatch, Zahlie Cabot, Mia Coombes, Regan Simpson and Gemma White have helped Mrs Ormiston and Miss Rose grow them. At lunch time we have been opening the pen to let the kids have a pat of the animals.

The kids are loving this experiment and Joe Brown is now collecting food for the animals.

ACROSS THE DESK

As the year starts to settle it has been great to go into classes and see the learning that the students are doing. From Mr Maloney's Ancient History class learning about Rome; Miss Stassen's Year 7 Science class learning to light the Bunsen burner; or my favourite class (Kindergarten) doing the best 5 L's I have ever seen.

Over the next few weeks we as a community will finalise the core values for our school as part of our Positive Behaviour for Learning (PBL). There are two key things that we are focusing on this term, Pride and Respect.

Pride is an interesting word. It isn't a big and boastful word, but a word that sits in the centre of who you are. The definition of Pride is a feeling of deep pleasure or satisfaction from your achievement. I want everyone to take Pride in themselves; Pride in their learning and Pride in the school. This means that we wear our uniforms and interact well with others; do our best in our work and look after our school.

Respect is having regard for the feelings, wishes or rights of others. Respect is shown through your actions. Everyone needs to make sure that their actions are showing respect. Having Pride and showing Respect need to be the cornerstones of our school.

There was some damage caused at the school over last weekend. If you see any persons on the school premises on weekends or at night you don't believe should be there please, contact the police.

Swimming Carnival

Congratulations to all the winners, especially Copeton House and our age champions. A big thank you to Mr Geenwood and Mrs King for their great organisation and to everyone that helped at the Carnival. Good luck to those students that are participating at Tam worth this Friday.

Meet the Parent

It was wonderful to meet Parents from K-6 on Tuesday night and share a sausage sandwich. If you missed the night and have some questions please don't hesitate to contact me.

Barraba Show

Don't forget that the show is coming up next week. I look forward to seeing all the great contributions from our students.

ROAD SAFETY INFORMATION

YOU ARE RESPONSIBLE FOR YOUR CHILDREN'S SAFETY WHEN THEY ARE TRAVELLING TO AND FROM SCHOOL.

Drive and park safely near schools

The beginning and end of the school day are busy times for pedestrians and drivers outside schools.

You can help keep children safe by remembering the following:

- drop off and pick up children on the school side of the road
- never call out to children from across the road – it is very dangerous
- always take extra care when driving in 40km school zones
- follow all parking signs – these help keep children as safe as possible
- park responsibly even if this means you have to walk further to the school gate
- never double park – it is illegal and puts children at risk
- never do a U-turn or three-point turn outside the school as it puts children at risk of harm
- model safe and considerate pedestrian and driver behaviours to your children.

For further support

Go to the department's Road Safety Education program at education.nsw.gov.au/road-safety-education or visit education.nsw.gov.au and search for road safety education.

When travelling in a car ensure your children:

- use a booster seat if they are aged between 4 and 7 years old – it's the law
- are correctly buckled up in their seatbelts
- always get in and out of the car through the 'safety door' – the rear door on the footpath side of the car
- are never left alone in the car.

Up to 6 months

Approved rear-facing child car seat

6 months to 4 years

Approved rear- or forward-facing child car seat

4+ years

Approved forward-facing child car seat or booster seat

145cm or taller

Suggested minimum height to use adult lap-sash seatbelt

Swimming Carnival 2018

Secondary

In Art, I am working with students to create a bunch of new artworks to be featured in the Barraba Show.

Students have been working hard creating a variety of interesting creative artworks to be displayed.

Also be on the lookout for our giant chickens made especially for the show.

Friday Night Rugby

A reminder to all secondary students that pre-season training for the Friday night competition will start shortly. The competition starts on the second Friday night of term 2 so if you have not been staying fit – please start!

We will call a meeting at school for expression of interest for all interested boys and girls in the near future. Pre-season training will include a weights program in our school gym.

See you at training shortly...
